THE UNDER SECRETARY OF THE AIR FORCE  
WASHINGTON

10 October 1980

Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Admiral Turner:

Your kind invitation to your Halloween party reminded me that I had never written to thank you for your help in filling in the background on MX. I can't tell you how much I enjoyed that session and how very much I look forward to the opportunity to discuss defense issues with you again.

Unfortunately, I have to be in Cambridge, MA with the family over the Halloween weekend. I am the commuter in the family; [ ] is carrying his full teaching load at the Harvard Law School once STAT again.

Please let me come over and talk to you some time when you have a few minutes again. I'd love to know how your writing is going. Our seminar at the Air Force Academy on weapon systems decision making has been enormously exciting and I hope to try to do it somehow again in the spring.

Many thanks again.

Sincerely,
